

Thanks from the bottom of our hearts for all the support and teams who joined us this year to make the 2017 Brooke Leitterman Memorial Golf Tournament for Special Olympics an overwhelming success! Special thanks to our corporate sponsors, NW Electric, Becraft Web Design (Patty Becraft), McCorkle's Eatery and Pub for the wonderful after tournament buffet, Cameron Newspapers for advertising and support, Leibrandt's Jewelry for providing our trophies and engraving again this year, MichaelTeegarden for use of his ATV and coolers and Mark Wilhoit for coolers. We thank Randy Curnow Chevrolet for the Hole In One Prize sponsorship for Hole #14, which was for a free 2 year lease on a new Chevrolet Silverado pickup. No One was lucky enough to win it, but everyone who qualified to participate was able to try for the prize. Also, special thanks to Hidden Quail Creek Golf Carts of Winston, MO for the Hole in One prize sponsorship of a new golf cart for a Hole in One on Hole #7. Again, no one was fortunate enough to win it but everyone got to try for the wonderful prize. If we omit someone from our list, it is not intentional. We sincerely try to remember and mention all those who helped us in any way, either financially or with manpower and use of equipment, set up, tear down, etc. Thanks to set up team on Friday evening: Skyler Leitterman, Jason & Aimee Leitterman, Cameron Pom girls, Tonya Lange, Les & Sandy Mouser, Dee Ann McKinney, and Bianca Lopez; Saturday in the clubhouse and on the course: Keith Bentz, Bianca Lopez, Tonya Lange, Dee Ann McKinney, RoxeanneThorman, Pat Steele, Peyton Kearns and Skyler Leitterman. Special thanks to Kevin Nichols, manager of the Cameron Veterans Memorial Golf course for a great place to play the tournament and a donation of two rounds of golf for two people with cart for door prizes and Randy Pelton was there to help at the counter in the clubhouse. Also, thanks to Tim Faulk, course superintendent, for the excellent condition of the course for play. Without all these people, this tournament could not happen. Skyler Leitterman was a tremendous help both Friday and Saturday. Peyton Kearns also helped on Saturday during and after the tournament for clean up and hauling of signs and equipment from the course.

Again, if we failed to mention your name, we apologize! It is an extensive and exhausting list of wonderful people. We are humbled and proud to be able to manage this event and hope it will continue for many years to come. It is our goal to increase the amount each year to help as many Special Olympics athletes as possible in the northMissouri area. We know Brooke is smiling down on us and saying thanks for keeping her dreams and memory alive through this wonderful project!
